Teachers – trade unions:

Trade Union of Education in Finland (OAJ)

The trade union work began in Finland in 1893 and OAJ was founded on December 28, 1973. Today the membership is 117 100 (1.1.2007). The union represents teachers at various school levels and institutes of learning, ranging from day-care center teachers to lecturers in universities and vocational school teachers.
