Invitation to the COMPETE Final Consultation Workshop

Dear Madam or Sir,

We are pleased to invite to the Final consultation workshop of COMPETE project.

The aim of the COMPETE consulting workshop is to present the key findings of the project and discuss the policy recommendations for a sustainable development of competitiveness of EU agri-food supply chains with leading representatives from science, practice and policy.

COMPETE (*International comparisons of product supply chains in the agri-food sectors: determinants of their competitiveness and performance on EU and international markets*) is an EU-funded collaborative research project gaining a more comprehensive view on the different elements of the European agri-food sector competitiveness.

The Consortium of **COMPETE** brings together academics, trade bodies, NGOs, agricultural co-operative, industry representative advisory services providing in-depth knowledge on the agri-food sector to provide single market policies that are shaped flexible enough to increase international competitiveness and respond to the needs of the whole value chain.

The event will take place on:
